

M. Sc. (Chemistry) Admission 2023-24

Department of Chemistry, Savitribai Phule Pune University

Third Round of Admissions (Spot admission round)

General Instructions:

- First round of admission (Counselling) was conducted on 7th August 2023.
- Second round of admission (Counselling) was conducted on 12th August 2023.
- For the seat distribution and admission related instructions please refer the Merit lists displayed on the university website on 28th Jul 2023.
- Limited number of candidates will get hostel facility based on the merit and social reservation policy of the state government. The hostel admissions are done separately by hostel office of University.
- The students admitted in the first/second round of admission and who wish to change their allotted branch (reshuffle) (based on availability of seat within the specific reservation category and university category (Savitribai Phule Pune University (SPPU) and Other University (OU)) except for the admission (horizontal reservation) under Defence and PWD quota need to submit an application on a plain paper (address to Head, Department of Chemistry, Savitribai Phule Pune University, Pune) asking for the possibility of branch change and must also bring the provisional admission letter (given in the first round) on the day of second round.
- Admission for over and above seats quota (Sports and Culture quota (Subject to availability, 3% seats over and above the approved intake capacity) and Kashmiri migrants) and Industry Sponsored quota for Medicinal Chemistry Only (5 seats) will also be done. The interested students must be present along with an application in hard copy with all the necessary documents (please refer to the instructions given at the time of first admission round) on **19th Aug. 2023** based on merit and first come first basis. **The fees for the industry sponsored quota are double than the normal.** However, such students are also eligible to take admission through general quota as per merit.
- Any conflict of interest that might arise during the counselling will be resolved by the admission committee and its decision will be final and bound to the candidate.
- **Third (Spot) admission round will be held on 19th Aug. 2023 at P. C. Ray Hall, Dept. of Chemistry, SPPU from 10.00 am onwards and also for the students who wish to change their allotted branch.**
- **Those students who were absent for first and second round will also be considered for the spot admission round. Interested students must remain present on 19th Aug 2023 or must sent their representative with proper authority letter and all the necessary documents.**
- The regular classes will start from **21st August 2023**. The attendance of all the admitted students is compulsory from the first day of teaching. All the admitted students are hereby informed to remain present in P. C. Ray hall, Department of Chemistry, SPPU, Pune-7 at 11.00 am.
