

Department of Chemistry
Savitribai Phule Pune University
M. Sc. Chemistry Admission 2022-2023

Instructions to the students for Second round of admissions

1. The provisional second merit list is displayed on the website.
2. The application form of the provisionally admitted students will be opened (the students need to login to their account on CCEP portal of the university) from **14th September 2022**.
3. The students need to upload the necessary documents and submit to university for approval before **15th September 2022**.
4. The department will approve the admission only after verification of all the documents.
5. For the candidate from DTA, NTB, NTC, NTD, OBC, and SBC a recent (valid up to March 2023) non-creamy layer certificate is essential to claim the benefits. The income certificate issued by the statutory authority is required for the EWS candidate.
6. After approval of the documents, the fee challan will be generated in the students account (on CCEP portal) for payment of fees and reflected in students account on CCEP portal.
7. The admission will be confirmed only after the payment of fees on or before **17th September 2022**.
8. If the student does not respond in the given period, the admission of the student stands cancelled.
9. **Henceforth there will not be any change in the allotted branch.**
10. **The students whose branch have been changed (highlighted) please note the changes.**
11. The admission to seats remaining vacant after this round will be filled as per the directions of the University.
