

M. Sc. (Chemistry) Admission 2024-25
Department of Chemistry, Savitribai Phule Pune University
Second Round of Admissions

General Instructions:

- The Merit lists were displayed on the university website on 28th June 2024.
- First round of admission (Counselling) was conducted on 3rd July 2024.
- **Second admission round will be held on 13th July 2024 at P. C. Ray Hall, Dept. of Chemistry, SPPU from 10.00 am onwards for both SPPU and Other University students together and for the students who wish to change their allotted branch.**
- Limited number of candidates will get hostel facility based on the merit and social reservation policy of the state government. The hostel admissions are done separately by hostel office of the University.
- The non-creamy layer certificate (DT/NT/OBC/SBC/EWS/SEBC) should be valid till **March 2025**, if certificate is not available student should produce receipt of the application.
- Please keep soft copies (in pdf format) of all documents ready in pen drive for uploading during the confirmation of the admission (Students need to remember the login id and password which they have used for filling the entrance form).
- If for some reasons he/she can't attend the same then he/she must send his/her representative with authorization letter and the documents (original documents and one set of xerox copies and soft copies). The representative must be competent enough to take the decision on behalf of the candidate.
- **The candidates who were absent for first round are eligible for the second round and the allotment will be made as per the seat availability and merit.**
- The students admitted in the first round of admission and who wish to **change their allotted branch (reshuffle)** (based on availability of seats within the specific reservation category and university category (SPPU/OU)) should be present. These students need to apply by email to office.chem@unipune.ac.in by **12th July 2024** (address to Head, Department of Chemistry, Savitribai Phule Pune University, Pune) asking for the possibility of branch change and must bring the provisional admission letter (given in the first round) and fee receipt on the day of second round.
- **The candidates interested to take admission to Industry Sponsored quota for Medicinal Chemistry (Only 5 seats) need to send an application by email to office.chem@unipune.ac.in by 12th July 2024 (address to Head, Department of Chemistry, Savitribai Phule Pune University, Pune) and must attach sponsorship letter (from chemical/pharma industry). The fee for the industry sponsored quota is double than the normal.** However, such candidates are also eligible to take admission through general quota as per merit.
- Admission for over and above seats quota: Sports and Culture quota (Subject to availability, 3% seats over and above the approved intake capacity) and Kashmiri migrants will also be done on the day of 2nd round of admission.
- Any conflict of interest that might arise during the counselling will be resolved by the admission committee and its decision will be final and bound to the candidate.
- After signing the attendance, based on the availability and the choice, a candidate will be offered the seat. The candidate has to upload the relevant documents immediately, and submit for departmental approval on the same day. After approval the candidate can secure the admission by paying the fees through online mode by **16th July 2024**. Failing to which the admission stands cancelled and the candidate has no any claim and the seat will be allotted to other candidate in next round.
- **There will be no any reshuffle/branch change after second round of admission.**
- Any seats remain vacant after second round will be declared on 19th July 2024 and will be allotted in the Third admission round
- **The regular classes will start from 18th July 2024. The attendance of all the admitted students is compulsory from the first day of teaching.**
